

Mick Schumacher could join Alpine

Von Guido Borck

Next year, Renault subsidiary Alpine will be competing at the top of the sports car world championship. We were at the race track in Jerez de la Frontera, Spain, for tuning runs of the brand-new A424 hypercar and looked over the team's shoulder. Mick Schumacher also got behind the wheel. The former Formula 1 driver and son of record world champion Michael Schumacher could play an important role in the French company's WEC team and is being considered as a driver. (aum)
