

A big trophy for a small sports car

An Alfa Romeo 6C 2500 SS Cabriolet Pininfarina from 1949 was honored today at the Scuderia Renania stand as the most beautiful classic vehicle at the Essen Motor Show 2023. An international jury of classic car experts voted for the "Best of Show" and selected the extremely rare (only 70 examples) Italian classic (with 115 hp). Its value today is estimated at 500,000 euros. The Essen Motor Show runs until Sunday, December 10, 2023 at the exhibition grounds. (aum)
