

## **Porsche makes a profit of 7.3 billion euros**

Porsche increased its profit last year by 7.6 percent to 7.3 billion euros. Turnover climbed by 7.7 percent to 40.5 billion euros. The sports car manufacturer delivered 320,221 vehicles to customers. That was over 10,000 cars or 3.3 per cent more than in 2022. Several new models and product revisions have been announced for this year, including the fully electric Macan and the classic 911 as a hybrid.

A dividend of EUR 2.30 per share and EUR 2.31 per preference share will be proposed to the Annual General Meeting. This amounts to a total distribution of around 2.1 billion euros. (aum)
